

NCCSS Great Influence Award

NORTH CAROLINA COUNCIL FOR THE SOCIAL STUDIES PROJECT GREAT INFLUENCE AWARD DON'T LET THAT SPECIAL PERSON GO UNRECOGNIZED!

Members of the North Carolina Council for the Social Studies are excited about a project to raise money for the scholarship fund. It is a very meaningful way of expressing a level of appreciation for people who have influenced our lives. This award program gives teachers, students, and others the opportunity to recognize those who have had a positive impact on their personal or professional lives. The special certificate that the honoree receives will always serve to remind them that they influenced your life in a very positive way. Both the name of the nominator and that of the honoree are recorded in a permanent register with the North Carolina Council for the Social Studies. In addition, the register is displayed at the annual State Conference each year in Greensboro.
